Owners of the educational documents issued by other countries should provide certificate of foreign education recognition (Equivalency Certificate) – official confirmation of educational level achieved by a candidate in his/her country with the aim to provide him/her ability to continue high education in the Russian Federation. Decision about foreign education recognition is accepted by Federal Education and Science Supervision Service. There is a state duty for Equivalency Certificate issue and amount of it is set by the Tax Code of the Russian Federation. All the details concerning recognition procedure provided at the web-site of the Federal State Budget Organization “The main state expert center of education evaluation” <http://nic.gov.ru/ru/proc/nic>.
